Allowable Subject Matter

1. Claims 1-8 are allowed.

2. The following is an examiner's statement of reasons for allowance:

Regarding claim 1-8, the prior art of record fails to teach of an information add/separating circuit for filtering, when adding a header and data for making up for the loss of the coded data to the coded data in accordance with a second communication standard that relates to the IP network, the data in response to a response detection signal output from the coding/decoding circuit and representative of the response or separating coded data from data received from the second terminal unit and feeding the coded data separated to the coding/decoding circuit. The closest reference, "Procedures for Real Time Group 3 Facsimile Communication Over IP Networks" ITU-T, T.38, International Telecommunication Union., Series T: Terminals for Telematic Services, June 1998, teaches of a communication connecting device connected at one end to a first terminal unit and connected at the other end to a second terminal unit via an IP Network, and selectively operable with a plurality of communication standards adaptive to the first terminal unit, the second terminal unit and the IP Network for implementing real-time communication, the device comprising: a terminal unit, a first storage, a coding/decoding circuit, a second storage and an interface circuit, but fails to teach of an information add/separating circuit for filtering, when adding a header and data for making up for the loss of the coded data to the coded data in accordance with a second communication standard that relates to the IP network, the data in response to a response detection signal output from the

coding/decoding circuit and representative of the response or separating coded data from data received from the second terminal unit and feeding the coded data separated to the coding/decoding circuit.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled

"Comments on Statement of Reasons for Allowance."

Drawings

3. Figure 3 should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. See MPEP § 608.02(g). Corrected drawings in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.
